DETAILED ACTION

Specification

The lengthy specification has not been checked to the extent necessary to determine the presence of all possible minor errors. Applicant's cooperation is requested in correcting any errors of which applicant may become aware in the specification.

Information Disclosure Statement

The information disclosure statement (IDS) submitted on 5/24/04 has been considered by the examiner.

Allowable Subject Matter

Claims 1-23 are allowable.

The following is an examiner's statement of reasons for allowance: Claims 1-23 are allowed over the prior art of record. The prior art fails to teach or suggest a method and an apparatus for RLL coded data streams that implement technique producing a separator matrix from separator portion and being composed of a plurality rows and each row being a separator sub-matrix of ones and zeros such that each row is nonzero stuffing one of the plurality of rows into the spaces between each data portion of the input codeword to form an output codeword.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Cited References

The prior art made of record and not replied upon is considered pertinent to application's disclosures. The cited references relate to method and apparatus for forming RLL coded data streams.
